(Please print your name here) I _____, understand that the counseling I receive from At The Well Ministries, Inc., or with Dr. Tom Joseph PhD (Pastor) is strictly and exclusively Pastoral counseling. We are registered with the federal government as a 501c3 non-profit religious organization which allows us protection under the Separation of Church and State clause, therefore most State laws concerning counseling do not apply in Biblically based counseling. Dr. Tom Joseph Ph.D. is licensed with the National Christian Counselors Association based out of Sarasota Fl., and is under their ethical Board and compliances.

H.I.P.A.A. privacy laws **do not** apply to this Ministry, nor does D.O.R.A (*The Department of Regulatory Agencies*), nor do any State controlled secular psychiatric or mental health boards, associations, or licensures apply to this Ministry. Even though confidentiality is very important to us, and is highly respected concerning privacy, and most likely will never be breached, At The Well Ministries and/or the counselor (Dr. Tom Joseph PhD) **can** breach confidentiality when and if he feels Biblically or morally obligated based on his Christian convictions and/or for the safety of life.

We **do not** accept homosexuality, or any other sexual behavior that is not Biblically based or natural biologically. Our goal is to restore and help individuals recover from these sexual deviancies, not condone them.

We **do not** accept or condone abortion as an option for birth control, or for any other reason, accept to try and save the mother and/or unborn baby's life. We help restore women who have been a victim of the abortion industry.

All counseling received from At The Well Ministries and Dr. Tom Joseph Ph.D. is strictly from a voluntary donation basis as a fund raiser, **therefore, there will be no refunds of any kind once a donation is made.** This is in accordance with tax exempt laws.

Pastoral counseling is Biblically based and is Christian in nature. By signing this release form, you understand that even though Tom Joseph Ph.D. is highly educated in Clinical behavior, **medical or psychological** treatment needed beyond Pastoral counseling as stated above is solely the responsibility of the counselee and will be advised from this Ministry in that direction if needed.

Counseling sessions are video monitored for safety and professional accountability Only.
